PRIVACY NOTIFICATION STATEMENT

The information collected is used to satisfy the educational mission of the University and its legal obligations, including determination of eligibility, assessment, and evaluation of professional qualifications.

With the exception of the Affirmative Action data, all information requested is mandatory. If the information is not provided, the application will be deemed incomplete and not considered by the Program. The information you provide will be reviewed by the Departmental Residency selection committee and may be released pursuant to applicable Federal or State law. The privacy of your file will be the responsibility of the Department.

Individuals have the right to review their own record in accordance with the information Practices Act and University policy. Information on these policies may be obtained from the training Program to which you have applied and where your file is maintained.

I hereby authorize representatives of the School of Medicine to contact any of all of my former employers, educational institutions attended, or other persons or organizations determined to have information relevant to my application for clinical training. I further consent to such persons and organizations releasing relevant information to the School of Medicine, notwithstanding that it might otherwise be confidential. I understand that any information obtained by the School of Medicine will be treated as confidential personal information. I hereby certify that I have read and understood all statements and questions on this application and that my responses are true and complete to the best of my knowledge. If employed, I understand that falsification of this record may be considered cause for my termination.
